Lindsey DeMetro, a sales representative for HD Supply Waterworks in Charlotte, NC was recognized by Custom Site Development as their Vendor of the Year for 2016.

Chuck Reed, Lindsey's regional vice president said, "What a great honor to receive, and be recognized personally for all of your hard work. It has been said many times over, that the Waterworks business is all about 'people doing business with people.' Lindsey has certainly made a great impression with Custom Site Development. We are proud of you and the entire Charlotte team."

Lindsey has been with HD Supply Waterworks for 16 years. "I really appreciate being recognized by Custom for HD Supply's efforts," Lindsey said. "We have a great team at HD Supply, and I always enjoy working with Custom Site Development."
