HD Supply Waterworks is now Core & Main LP

Dear Valued Business Partner,

We are proud to introduce you to Core & Main LP, formerly HD Supply Waterworks Ltd., and HD Supply Fire Protection.

On August 1, 2017, HD Supply Waterworks fully divested from its parent company, HD Supply. Now as a standalone entity with a new name and renewed outlook, Core & Main LP solidifies its place in the industry.

We want you to know that this is all you should expect to change. You can continue to count on the same local dependable expertise and dedicated support that we've always promised—from the same people you know and trust. And we look forward to continuing and strengthening our partnership guided by the same values of honesty, hard work and commitment to your success.

To help with questions related to our name change that you may have, a list of frequently asked questions and answers has been posted on our website, www.coreandmain.com.

Our EIN number will remain the same, as will our address and phone numbers.

Should any other questions come up, please feel free to contact your local branch.

Thank you!

Sincerely,

A handwritten signature in blue ink that reads "Mark Witkowski". The signature is fluid and cursive.
